About AFTLD

AfTLD is recognized as the representative of country code Top Level Domain (ccTLD) managers from Africa. The organization is an active participant in the ICANN ccNSO, and also actively participates in various Internet governance fora with the African continent and beyond, including the IGF, where it has run a number of workshops. AfTLD works in collaboration and partnership with other Regional Top-Level Domain Organizations (RTLDOs), these being APTLD, CENTR and LACTLD.
