specific region? Yes
Please explain the answer above in sufficient detail so that a
person not familiar with your Organization would be able to
understand the reasons for your answer, and reference the URLs
where any statutes or operating principles or other supporting
inform:
Swathanthra Malayalam Computing (SMC) is civil socity
organization that empowers Indian language usage in computer,
mobile and other devices.

Our work is focused on three key areas:

    Products – people-centric products for Indian language
experience in user devices.

Technology – robust, free and open technical solutions that
bring the Indian language experiences to life across multiple
platforms.
People – who value and advocate for native language
experience and rights of native language users.
We are a community of technologists, thinkers, builders and
practitioners of Indian language technology who work together for
improving information infrastructure and access to knowledge in
Indian languages
