Letter of support for Brett Carr's candidacy of the CSC

Dear Sir/Madam

Please accept this letter as confirmation that Brett Carr is employed full time at Nominet, one of the largest ccTLD registry operators with over 10 million domain names registered.

We note the required time commitment needed to participate actively in the CSC and are happy that Brett is able to meet these requirements. We can confirm that Nominet will cover the costs associated with Brett's participation in the CSC and we wholeheartedly support his application.

Yours sincerely,

Neal Smyth
Head of Architecture, Networks & DNS
