Final draft of the Review of Reviews CCG Charter

30 July 2025

Dear Tripti,

I am pleased to inform you that starting with the conversation regarding the Review of Reviews from the Roundtable in Prague, the SO/AC Chairs, staff and individual Board members, have collaborated to produce a draft charter for a cross community group to oversee and coordinate efforts relating to this matter.

The enclosed draft reflects the consensus we reached today among the SO/AC Chairs. Please note that formal approval of the Charter by the Supporting Organizations and Advisory Committees is still pending, but we the Chairs do not anticipate substantial changes, though some groups may offer minor comments or refinements during their internal review processes.

In parallel with the formal approval processes, being mindful of the timelines as proposed in the Charter, the SO/AC Chairs have expressed their willingness to start their internal procedures for identifying and nominating participants to this Cross Community Group. We hope the Board and org will do the same. This will facilitate a timely launch once the charter is formally endorsed.

On behalf of the SO/AC Chairs, please find the draft charter attached.

Best regards,

Alejandra Reynoso
ccNSO Chair
