

Dear Joke,

Bellow my brief biography in support of my recently submitted Eol to become a member of the CSC now for a full term mandate.

As one of the executive directors of Nic.br the support letter is not applicable.

Best Regards,
Fred

Frederico Neves is CTO of NIC.br, the non-profit registry service for .br ccTLD. He is the technical contact for .br since 1998. He has more than 20 years of experience leading software development teams. He started to get involved with the DNS protocol in 1994, led the transitions of the .br registry in 1997, of the Brazilian Internet Address registry in 1999 and of the Latin American and Caribbean Internet Address registry (LACNIC) in 2001. He has actively contributed to the IETF efforts in the areas of DNS extensions and operations, names and numbers registry provisioning and directory services. He holds a Chemical Engineering degree from FEI.
