**Mr. Hank Nussbacher as a ISOC-IL's candidate for Customer Standing
Committee**

Dear Joke,

I am pleased to write this letter of support in regards to Hank Nussbacher's application for the ccNSO's Customer Standing Committee.

I am confident that Hank's experience and expertise make him a perfect candidate for the ccNSO/IANA Customer Standing Group. Israel Internet Society (ISOC-IL), as Mr. Nussbacher's employer, will provide him with the necessary time commitment to work on the CSC.

Sincerely,
