Liaison to the GNSO

Dear Katrina

Bennet B. Fuller, Jr., Ph.D. is a fellow Director of the Namibian Network Information Center (Pty) Ltd ("NA-NiC"), the ccTLD Manager for .NA, of which I am the Managing Director.

On behalf of NA-NiC I confirm that we fully support his application, in particular with respect to the required time commitments, confirming that he may attend GNSO meetings regularly and inform the ccNSO Council and broader ccTLD community.

With Kind Regards

Eberhard
