

ccTLD Contributions as-of Fiscal Year 2022

The following table summarizes the contributions paid to ICANN from ccTLD registries by contribution year, beginning 1 July and ending 30 June the following calendar year. The information included in the table below is based upon the ICANN fiscal year for which the contribution was made (as indicated on the invoices), irrespective of the effective date on which the invoice was issued.

As an example, an invoice issued on 31 July 2020, for a contribution pertaining to ICANN's fiscal year 2020 (which closes on 30 June 2020), would be reported in the column ICANN FY20, even though the invoice was issued at a date included in ICANN's fiscal year 2021.

Information reflected on this schedule is through 30 June 2022.

Country Code Operators marked with a single * include contribution amounts for both ASCII and IDN ccTLDs. Previous to FY2021 contributions for IDN ccTLDs were not reported separately from ASCII ccTLDs

Country Code Operators marked with triple *** indicate:

- (i) The country code operator has indicated intent to contribute for the most recent closed fiscal year (FY22),
- (ii) The country code operator has been invoiced but the invoice remained unpaid prior to this publication.
- (iii) Contributions paid following 30 June 2022 will be listed under the contribution year (FY22) in the following year's report.
