### **Application for Membership of the ccNSO**

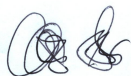

Dear Lesley

Please find enclosed our application for membership in the ccNSO.

For avoidance of doubt I wish to state that

- Namibian Network Information Center (“NA-NiC”) is, at this point in time, not a member of the African Top Level Domains Organization (“AFTLD”) and as long as NA-NiC is not a member NA-NiC does not agree to, and will not, be represented by AFTLD, in any way, nor will NA-NiC contribute any funds to ccNSO and/or ICANN if AFTLD directly or indirectly benefits from any such contribution, in any way; and
- membership in the ccNSO does not affect any rights NA-NiC or I may have.

With Kind Regards

Eberhard
