Dear Nico,

The ccNSO Council wishes to express their condolences to the colleagues of Nigel Hickson.

Nigel was a valued member of the overall ICANN Community, both in his earlier role as an ICANN Staff member, and more recently, as a major participant in the Governmental Advisory Committee, having risen to the role of a vice-Chair of the GAC.

He fully supported and provided valued contributions to the multi-stakeholder model in his various roles within the ICANN eco-system.

He will be missed.

On behalf of the ccNSO Council,

Best Regards,

Alejandra Reynoso
ccNSO Council Chair
