Subject: [Ext] OISC Eol

Dear Joke:

I would like to be a member of the Outreach and Involvement Standing Committee.

Since I started my term at the ccNSO, I have participated in the Travel Funding Committee and in the Community Onboarding Program (COP) Selection Committee too.

Now that both of them will be part of this new Committee, I would like to be part of it as well to continue the work.

I have experience in outreach and engagement from other organizations like Internet Society, in which I work in that area with my co board members, developing and executing strategies to get more people involved in the work of the Organization and our local chapter. We organize different activities regarding Outreach and Involvement, including Capacity Building.

I also work in the same area in other organizations (not related to the Internet), always working in activities to attract more members to get involved.

Regarding the time commitment, I am able to dedicate the time that the OISC will require.

I will be happy to participate and continue my work with all the activities of the Committee.

Any other information you need, please let me know.

Thank you.

Kindest Regards,

--

Laura Margolis
