

Subject: [Ext] RE: Call For Volunteers: ccNSO Appointed Delegate to the 2025 ICANN NomCom

Dear Joke,

Hope you are doing well.

I would like to share my interest in being part of the NOMCOM representing ccNSO.

As a representative of .BH in ccNSO and current board member (Treasurer) of Asia Pacific Top Level Domain (APTLD) I have the relevant experience and knowledge base to support with the selection of the best group of candidates for leadership as well as other activities of NOMCOM. Also will maintain a regular update to the ccNSO community on the actions of NOMCOM.

Please let me know if this is sufficient or you need more.

Regards,
