

ccNSO 20th Anniversary session - Looking forward Shaping the ccNSO for 2030

On Tuesday, 24 October at 15:30 CEST during ICANN78 in Hamburg, please join the ccNSO for an in-person “world cafe” to have a dynamic conversation about the next 7 years. How do you imagine the ccNSO evolving? What needs to change and what needs to stand the test of time?

This time there will be no simultaneous remote participation, however a fully virtual follow-up will be organized before ICANN79. **Stay tuned!**

Regardless of the modality, in-person or virtually, you will have the opportunity to share, engage and learn from other ccTLDs. **Your participation is crucial!**

16:00-16:30 - Break

16:30-17:15 - Table discussions on selected topics, with 3 rounds
