## ABOUT ME

Abdalmonem Galila is the 1<sup>st</sup> recipient of ICANN's Tarek Kamel recognition award 2020 for the efforts done within Egypt and outside Egypt for the capacity developments "Universal Acceptance Trainings, Universal Acceptance awareness sessions, Email Address Internationalization trainings and deployment workshops, DNS, DNSSEC, Registry Operations ... etc." in cooperation with the DNS Entrepreneurship Center in Egypt, Internet Cooperation For Assigned Names and Numbers "ICANN", Africa Top Level Domains "AFTLD" and in worldwide internet corporations like AFRINIC, MENO, ME-DNS, Africa DNS Forums, IGF's ... etc. .

He is the Universal Acceptance Ambassador for Africa, Middle East and Europa since 2018 till present as well as leading the Universal Acceptance Local Initiative in Egypt

He looks like other engineers who are looking for learning all the time, interesting in changing the methodology of the old tasks behavior, feeling that he is alive when he does his mission, searching for solving a problem ...

Currently I am the Numbering Planning Manager and responsible for operating the IDN ccTLD of Egypt. masr (مصر). He is also a member of Task Force on Arabic Script IDNs (TF-AIDN) that focuses

## EXPERIENCE
