

ccTLD Contributions as-of Fiscal Year 2021

The following table summarizes the contributions paid to ICANN from ccTLD registries by contribution year, beginning 1 July and ending 30 June the following calendar year. The information included in the table below is based upon the ICANN fiscal year for which the contribution was made (as indicated on the invoices), irrespective of the effective date on which the invoice was issued.

As an example, an invoice issued on 31 July 2020, for a contribution pertaining to ICANN's fiscal year 2020 (which closes on 30 June 2020), would be reported in the column ICANN FY20, even though the invoice was issued at a date included in ICANN's fiscal year 2021.
