

Dear ccNSO Secretariat at ICANN,

I am writing to express my interest in volunteering as the ccNSO Appointed Liaison to the GNSO Council. As an Expert Advisor to the Board of the Brazilian Internet Steering Committee (CGI.br), I have been consistently reporting the outcomes and activities of ICANN since 2019 (ICANN65), and I believe I have the relevant experience and knowledge to excel in this role. In addition, I have been the chair of the ccNSO Meetings Programme Committee (MPC) and a member of the ccNSO Internet Governance Liaison Committee.

My previous experience includes working at NIC.br's communications department since 2006, where I held various positions. In that year, I was present at ICANN27 in São Paulo as a trainee, and since then I have been closely following ICANN's activities. In 2014, I was selected as an ICANN51 Fellow, and with the learnings of that opportunity, I later pursued my Master's Degree, during which I focused my studies on the IANA Stewardship Transition, allowing myself to gain an in-depth understanding of ICANN.

With my background in the industry and extensive knowledge of ICANN, I am confident in my ability to serve as an effective liaison between the ccNSO and the GNSO Councils. I am eager to utilize my experience to contribute meaningfully to the ccNSO and further its mission.

In addition to this Letter of Motivation, I am also attaching my short biography, a Statement of Interest (SOI) as well as a letter of support from NIC.br, my employer, authorizing and supporting myself to fulfill this role.

Thank you for considering my application.

Sincerely,

Everton T. Rodrigues
