Subject: [Ext] Authorization for Margarita Valdés to apply for the role of liaison to the gNSO

Dear Joke,

As the employer of Margarita Valdés, I hereby support his application for the role of liaison to the gNSO, and authorize her to devote the necessary time to perform this task.

Margarita is a long time participant in ICANN, and I am sure she will be able to apply her extensive knowledge to do an excellent job as liaison.

Best regards,

Patricio Poblete
