2) Who is the Representative? Who is the Emissary?

As per the ICANN Bylaws (Section 10.4 (e)):

(i) Each ccTLD manager may designate in writing a person, organization, or entity to represent the ccTLD manager in matters relating to the ccNSO ("Representative"). In the absence of such a designation, the person, organization, or entity listed as the administrative contact in the IANA database shall be deemed to be the designate of the ccTLD manager by whom the ccNSO member shall be represented.

(ii) For any Territory for which there is a single ccTLD manager that is a ccNSO member, the Representative selected by that manager in accordance with Section 10.4(e) shall be the Territory's emissary ("Emissary") for the purpose of voting in the specific cases enumerated in this Article, Annex B, or Annex C of these Bylaws. In the event two or more ccTLD managers from the same Territory are ccNSO members, those ccTLD managers are to appoint one of the Representatives from among those ccNSO members to serve as the Emissary to vote on behalf of the ccNSO members from that Territory.
