Alejandra Reyoso Barral
Chair, ccNSO Council

Greetings Alejandra,

During the recently concluded ICANN81 Conference in Istanbul, I had separate conversations with both Becky Burr and Bart Boswinkel which strongly suggested to me that there will be future conversations between them regarding the stalemate between the ICANN Board and the ccNSO Community with regards to the proposed Review Mechanism policy.

As chair of the ccNSO PDP3 Working Group which produced the Policy, and as co-chair of the Council's Ad-hoc Group tasked with responding to the Board's questions regarding the proposed policy, I formally request that myself and Jordan Carter be involved in any discussions between ICANN Staff and the Board regarding the proposed Review Mechanism policy.

Best Regards,

Stephen Deerhake
