Consensus Policy Implementation Framework (CPIF) Amendments
vs
Post-Implementation Consensus Policy Review Framework (PICPRF) Proposal

CPIF Amendments

- ⊙ Why? Point H of the CPIF: "ICANN staff will continually review the implementation framework and related materials to encapsulate additional best-practices or to adjust the steps as a result of lessons learned with previous Consensus Policy projects.

- ⊙ 5 Stages to CPIF:

Prepare	Plan	Analyze and Design	Implement	Support and Review
Monitor PDP and engage w/ W	Develop implementation plan, recruit IRT	Craft policy with IRT	CPs implement policy	Compliance enforcement and policy review

Consensus Policy Implementation Framework (CPIF) Amendments
vs
Post-Implementation Consensus Policy Review Framework (PICPRF) Proposal

PICPRF Proposal

⊙ Focuses on "Support and Review" Stage

⊙ Why? CPIF contains directives to review implemented Consensus Policies, but with no specificity

Prepare	Plan	Analyze and Design	Implement	Support and Review
Monitor PDP and engage w/ W	Develop implementation plan, recruit IRT	Craft policy with IRT	CPs implement policy	Compliance enforcement and policy review

FOR GNSO INPUT:
1. PICPRF "Process Flow"
2. PICPRF Supplementary Survey

⊙ "Support and Review" stage of CPIF will be amended with PICPRF details once reviewed by GNSO
