Q2

Kossi Amessinou

No,

Evaluator's comments/observations about Kossi Amessinou's experience, skills, and attributes:
Insufficient application. Still need to show results in his participation within ICANN.

Q3

Neha Nair

Don't know,

Evaluator's comments/observations about Neha Nair's experience, skills, and attributes:
Good application, but not at the same level as the top tier.

Q4

Amina Ramallan

Don't know,

Evaluator's comments/observations about Amina Ramallan's experience, skills, and attributes:
Involved with the theme, but not at the same level as other candidates. Applied as NCUC, but seems to be more involved with At Large.

Q5

Nitin Walia

Yes,

Evaluator's comments/observations about Nitin Walia's experience, skills, and attributes:
Really strong application, seems to be her focus on the ICANN ecosystem

Q6

Mark Datysgeld

Yes,

Evaluator's comments/observations about Mark Datysgeld's experience, skills, and attributes:
Good application, demonstrated experience in the issue, although it does not seem to be his focus

Q7

James Galvin

Yes,

Evaluator's comments/observations about James Galvin's experience, skills, and attributes:
Strong application, even if it is not his focus, he seems to know a lot about the theme (focused on IDNs instead of UA)

Q8

Please rank the following candidates in order of preference with regards to how the candidate meets the experience, skills, attributes requirements outlined in the Call for Volunteers: 1-first order of preference; 2-next order of preference, etc.

Kossi Amessinou	6

Q9

Any additional comments/observations?

I feel any of the candidates, apart from Kossi, will be an excellent representative of the GNSO. I rank Mark & Jim lower only because they have both recently been appointed by the GNSO to other positions and to my knowledge the other three have not.
