

**Middle East ICANN  
MENA Community**

Dear Middle East ICANN Member,

I am writing to you in my capacity as the Founder & Curator of the Domain Days Dubai conference. (domaindays.com), a unique community-based initiative in the Middle East & Africa (MEA) region.

Launched back in the fall of 2023, it has already become the biggest platform that brought together local stakeholders: largest industry players, service providers, technical experts, and at-large community members, - to discuss the critical agenda items for the region.

As we are now gearing up for the 2<sup>nd</sup> edition of the Domain Days Dubai, I am pleased to let you know that it has already been scheduled for **5-6 November 2024** and will be held at the prestigious, 5 stars Marriott Resort in Palm Jumeirah, **Dubai, UAE**.

The feedback from prospective delegates has already demonstrated a genuinely keen interest in participation in Domain Days Dubai, which is why we believe that your contribution to the event will be very much appreciated, not least because it should further help your organization to tap into the enormous potential of the rapidly expanding region and leverage its role as a gateway to the wider domain name and hosting communities and learn and exchange knowledge with experts from the international community.

**About:** Domain Days Dubai is the domain industry event in the Middle East & Africa (MEA) region for Domain Registrars, Registries, Monetization, Investors & Traffic, Web3 Domains, Hosting & Cloud Providers, SaaS, Policy/Trade Mark and general industry Enthusiasts.
